STARTUP EUROPE
WEEK

What is Startup Europe Week 2019?

Startup Europe Week, provider of local/global entrepreneurship opportunities, is an initiative implemented by SEW and promoted by the European Commission and Startup Europe.

The aim of the SEW events is to showcase what are the opportunities for startups provided in each region at local level.

#SEW 19

“YOU’RE ROCKET. GET READY TO LAND”

STARTUP EUROPE
WEEK

What we expect local entrepreneurs will get from participating in your event

As a local co-organizer you commit to “deliver on the promise” of organizing a useful event for your local entrepreneurial community. So we expect that your event will provide the following value to participants.
